This video will be offered on a custom DVD with full menus and chapter markers for easy navigation supplied in a custom case to preserve the memories of the day. For last year’s performance, certain lighting arrangements were made to brighten the stage for the live performance. Unfortunately, this created high contrast between shadows and highlights that affected the recording process of some of the dances beyond our control. This year, steps have been taken to insure an optimum lighting balance between the live performance and the recording process.
